Year in Review Newsletter: Communities
In Schools Hampton Roads/Elephant's Fork
Elementary

CISHR has embarked on another great year at EFE. This year CIS served 76 students, which was 12.69 % of the student population. Surpassing the 10% needed to reach saturation goal. CISHR reached out to existing community partners and matched the needs of the school and students, which led to new initiatives and supports ranging from mentoring to increasing parental school engagement. It has been a wonderful year at EFE, and CISHR is looking forward to the continual success and relationship building with parents, students, administrators, teachers, and partners.

Nationally Bully Prevention Month

**Wear and Share Orange/Orange you glad
You are not a Bully!**

Students stood against bullying during
Nationally Bully Prevention day
by wearing orange
